Re: PSC Case No. 2004-00330

Dear Ms. O'Donnell:

In response to the Request for Further Proceedings filed by the Attorney General in this case on October 21, 2004, East Kentucky Power Cooperative, Inc. ("EKPC"), on behalf of the Joint Applicants, wishes to advise the Commission that the Joint Applicants do not request a hearing in the case, and do not object to the Attorney General's request to file written comments. If the Attorney General files comments, the Joint Applicants request an opportunity to file responding comments.

The Joint Applicants also advise the Commission that it is no longer feasible for the Fixed Bill Pilot Program to begin in December 2004, so implementation of the program, if approved, will need to be delayed until the Spring of 2005.

Very truly yours,

Charles A. Lile
Senior Corporate Counsel
